YEAR PLAN 2025-26**HEMATICS**

Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
Introduction,Representing Thousands,Counting in ThousandsBulding numbers beyond 1000	Place value chart,Abacus
Face value and place value,expanded form,comparing numbers,Comparing numbers with the same number of digits,Ordering numbers	
Forming greatest and smallest number,Odd and even numbers,Predecessor and successor.	worksheet
Introduction, Addition of 4-digit numbers without regrouping,Adittion of 3-digit numbers with regrouping of ones,tens and hundreds,story sums	Fun with Maths
Addition of 4-digit numbers with regrouping,Addition of three 4-digit numbers,Properties of addition	
Subtraction of 4 digit number with and without regrouping,	
subtraction of 4 digit numbers with zeros Properties of subtraction,story sum	
combining addition and subtractionCombining addition and subtraction,	worksheet
checking subtraction by addition	To subtract thousands,hundreds and tens(lab activity)
Counting in sevens,eights and nines,Number lineMultiplying a 3 digit number by 1 digit number	Art Integrated Project - Comparison of Monuments
Multiplying without regrouping,multiplying with regrouping(once,twice).multiplvng with tens and hundreds	
Multiplying by a two digit number (with and without regrouping),story sum	Multiplication Tables
Shapes (cube,cuboid,cylinder ,cone),symmetry	Basic shapes
Patterns,number patterns,Tilling	
Fractions in real life,Whole and fraction,Halfs ,thirds,fourths,Some other fractions	Fraction (integrated Project)
Numerator and denominator,fraction of a collection,comparison of fractions	worksheet
revision	

revision Half yearly exam	HY
Half yearly exam	
Equal sharing,equal grouping,Division as repeated subtraction	
multiplication and division	division-To practise the concept of division with regrouping (Lab activity)
division using tables,properties of division	
Division with and without remainder,checking division,Division of 2digit numbers with and without regrouping(remainder)	worksheet
division of 3 digit numbers with and without regrouping,dealing with zeros in quotient,story sums	
Writing rupees and paise,conversion of rupees and paise,addition of money subtraction of money	Collection of Bills
multiplication and division of money,shopping,story sums	
Time in real life,reading time to nearest 5 minutes,Time interval	worksheet,Making clock
time before and After, using am and pm,The calendar,writing the date	Time line(project)
Measurement in real life,measuring length,conversion of length	
measuring mass (conversion),measuring capacity (conversion)	To estimate the length ,mass and capacity(Activity)
Data in real life,pictograph-one symbol showing many objects	worksheet

Detailed Concepts to be covered in the Chapter	
Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
Different sources of water on earth's surface Water cycle	Poster making - Save water
Study of maps and globes	Mapwork
Rules to be followed at home, road, and school First aid kit	List safety measures at schools
Study of solar system, earth, moon and stars	Draw the solar system
Photosynthesis, Explain stomata Test a leaf for starch	Diagram - Leaf
Knowing about the different landforms of the earth	Paste the picture of five land forms
Deforestation, How to save Plants	Picture gallery - plants that grow in water
Explaining about the country India its states and capitals	Write the names of the states and capitals of India Art intergration project
Knowing about the physical regions of india	Paste pictures of physical regions of India
Half yearly examination	
How to protect the environment How the environment is getting polluted	Poster making - Save the Earth

Nutrients and their role ,Balanced diet Process of digestion	Balanced diet chart
Knowing the different resources of India	Mapwork
Structure of teeth,damage teeth Types of teeth	Chart - Taking care of teeth
Knowing about the different seasons like summer ,winter , autumn ,spring	Write five sentences about your favourite season
Soluble and insoluble substances	Flow chart - Classification of matter
Knowing more about the people who ruled our India in olden days	Paste pictures of the great empires
Knowing the Freedom fighters of india	Paste pictures of any five national leaders of India
State Government Central Government Local Governement	
Examples of simple machines	Different forms of energy
Knowing about our fundamental rights and duties in detail	Make a chart of Fundamental rights
Knowing about the resources of our nation	Prepare a poster on conservation of resources

Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
5 digit and 6 digit numbers	
Rounding numbers,Roman numarals	Roman numeral chart.
Addition of 5 digit numbers	
Subtraction of 5 digit numbers	Worksheet
Checking subtraction by addition	
Properties of multiplication	
Multiplication by 10,100,1000	
Multiplication by 2 digit number	Activity-Multiplication table using bamboo sticks
Multiplication by 3 digit number	Assignment 1-Integrated exercise
Properties of division	Activity-Division as repeated subtraction
Division by 10,100	Activity: Division Demo
Division by 1 digit number	
Division by 2 digit number	WorkSheet
Finding multiples and common multiples	Art integration project. Comparison of rivers using bar graph
Finding factors ,Common factors	Project - Factor tree
Divisibility tests of 2,5,10	
Polygons and Circles	Draw a circle and mark its centre,radius and diameter
revision	Activity -Draw line of symmetry of any 5
revision	Papper Cuttings papper folding activity
Half yearly exam	
Half yearly exam	

Symmetrical figures and patterns	
Types of fractions, Comparison	Fraction rabbit using chart and colour papers
Addition and Subtraction of fractions	
Read and write decimal numbers,	Assignment 2-Integrated exercise, Place value chart of decimal numbers.
Application of decimal numbers	
Addition, subtraction of money	
Multiplication, division of money.	Make a bill
Conversion of units - length, mass, capacity	conversion of units-chart
Finding perimeter and area of shapes	
Telling time, use of a.m and p.m	
12 hour and 24 hour clock	Make a clock
Interpreting pictograph and bar graph	Worksheet

Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
Charecteristics of computer, Evolution of computer, Generation of computer, Types of computer	Mutiple choice Questions
Files and folders	Creating folders.
Working with files and folders. Windows libraries	Creating files. Rename a folder
Inserting pictures. Inserting word art	Inserting picture into a word file
Inserting shapes.	Insert symbols into word filr.
Inserting text box.	
Grouping objects	
Inserting symbols	
Inserting Tables. Formatting tables	Create tables in word
Working with slide master.	Creating power point slide master
HALF YEARLY EXAMINATION	Power point presentation using slide master
Creating presentation with slide master. Formating a presentation	
Slide transition, Animations,	Insert different animations to slide
Inserting audio and video,	

Viewing slide in power point,	insert different animations to slide
Running a slide show	
Spread sheet,	Create spread sheet, Formatin data in the slide. Lab activity(scratch)
Excel 2013	
Working in a spread sheet, Auto fill Printing a worksheet	
Algorithms, Flowcharts	Draw flow chart and algorithm
Modes of communication,E commerce,Netiquette ICT	Group discussion on different applications of internet

		week 2				PREVENTIONS OF DISEASES	Communicable diseases, Vaccination	
		week 3				Non- communicable diseases		
		week 4				REGIONS OF THE WORLD	Heat zones of the Earth, Climatic regions of the Earth.	
week 1	REGIONS OF THE WORLD	Plant life, animal life and life of people in different regions.						
December	19	week 2	16	12%		BONES AND MUSCLES	Skeleton - Its parts and functions, Joints and their functions.	
		week 3				OUR GOVERNMENT, OUR CULTURE AND HERITAGE(Project only)	Levels and types of government and their functions	
		week 1				NERVOUS SYSTEM	Parts of the brain and functions, Sense organs	
week 2	Sense organs - their functions and working.							
week 3	FORCE, WORK AND ENERGY, BEING A RESPONSIBLE CITIZEN (Project only)	Types of forces, simple machines						
week 4	Forms of Energy							
January	20	week 1	21	13%		NERVOUS SYSTEM	Parts of the brain and functions, Sense organs	
		week 2					Sense organs - their functions and working.	
		week 3					Types of forces, simple machines	
		week 4					Forms of Energy	

Assignment/ Project/ Practicals

Project: Collecting different kinds of rocks from their surroundings.

Assignment: Draw the important latitudes of the Earth

Assignment: Poster making - Soil conservation.

Project: Germination of seeds - seeds and stems.

Assignment: Collect some pictures of a disaster from newspapers.

Complete timeline and fill in the events from the chapter against the dates.

Assignment: Draw and label the layers of the atmosphere.
Art Integration-Comparing the pollution condition with the paired state
Assignment: Making the vaccination chart of the students.
Assignment: Making flow chart on the adaptations of polar bear.
Assignment: Draw the structure of a human brain and label its parts.
Assignment: Draw pictures of simple machines.

Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
प्रकृति के मनोहरी स्वरूप के बारे में छात्रों को जानकारी देना	1. प्रकृति संबंधित कविताओं का संकलन कीजिए
पर्यायवाची शब्द, विलोम शब्द, लिंग बदलाने,	
भारतीय एथलेटिक हिमा दास के बारे में बताना तथा महिलाएँ भी किसी भी क्षेत्र में कार्य कर सकती हैं	2. हिमा दास के बारे में जानकारी एकत्रित करना (Project)
वर्ण विच्छेद, 'र' मात्रा प्रयोग(रूप), अनुच्छेद लेखन(खेल)	
पारंपरिक त्योहारों के बारे में बताना	3. विभिन्न त्योहारों की जानकारी एकत्रित करना (Assignment)
छात्रों को सदैव धैर्य एवं सूझ-बूझ से अपनी विपरीत परिस्थितियों का सामना करना समझाना अनुस्वर और अनुनासिक, सर्वनाम, कहानी लेखन	worksheet
हर त्योहार खास होता है तथा इसे सभी के साथ मिल-जुल कर मनाना चाहिए का सीख छात्रों को देना चाहिए	पाठ का वाचन (Reading)
कहानी का आस्वादन	4. सूझ- बूझ से किसी भी समस्या का हल किया जा सकता है
संज्ञा, वचन	बीरबल के अलावा अन्य कुछ लोगों के नाम और उनके कार्य बताइए (Speaking)
विवेकपूर्ण निर्णय लेने	5. प्रसिद्ध वीरों के बारे में एक लेख या कविता सुने (Listening)
परिश्रम का महत्व समझाना	
निराशा को दूर कर कार्य में व्यस्त इत्यादि छात्रों को समझाना	6. अपनी नानी-दादी से सुनी लोककथा चित्र सहित लिखिए (Writing)
मुहावरे	Art Intergration Project(comparison of natural vegetations of the 2 states)
विशेषण	

रानी लक्ष्मी बाई तथा उनकी समाधी के बारे में बतान।	7. रानी लक्ष्मी बाई जैसी अन्य वीरंगनाओं जैसी वेश-भूसा के साथ कक्षा में एक नाटक प्रस्तुत करें (Project)
व्याकरण पाठ के अनुसार करवाएं।	8. पौष्टिक भोजन तथा जंक फूड में वाद-विवाद (Speaking)
अच्छी दिनचर्या, जीवन में व्यायाम का महत्व, पौष्टिक और संतुलित भोजन, स्वास्थ्य के साथ सफाई का महत्व समझाना।	
Half Yearly Revision & Examination.	worksheet
	9. अपनी एक दिन की यात्रा के बारे में डायरी में लिखकर कक्षा में सुनाइए (Speaking)
डायरी लेखन के लिए प्रेरित करना।	
धार्मिक सहिष्णुता और पारस्परिक प्रेम की भावना को बढ़ावा देना।	
छात्रों को समय का सदुपयोग करना समझाना।	10. समय के महत्व को आप जानते हैं इसलिए आप अपने लिए एक समय सारणी तैयार करें। (Project)
व्याकरण पाठ के अनुसार करवाएं।	
समय जीवन की एक अनमोल कुंजी है', इसके अर्थ से परिचित कराना।	समय का महत्व-अनुच्छेद(Writing)
व्याकरण पाठ के अनुसार करवाएं।	
पत्र लेखन	
बड़ों की आज्ञा मानने की आवश्यकता का बोध कराना। तकनीक पर निर्भर होने से होने वाली हानियां बताना। वैज्ञानिक दृष्टिकोण अपनाने की समझ का विकास करना।	11. विज्ञान के आधार पर बताइए की भारत ने किस वस्तु का आविष्कार किया है और चित्र सहित अपनी कक्षा में लगाइए। (Assignment)
व्याकरण पाठ के अनुसार करवाएं।	
'कि' और 'की' का प्रयोग	worksheet

पढ़ने -लिखने में संतुलन स्थापित करने की समझ का विकास करना।	वीडियो देखकर प्रश्नों के उत्तर लिखिए (Listening)
विज्ञान एवं टेक्नोलॉजी के महत्व को बताना। भारत के अंतरिक्ष कार्यक्रम से अवगत कराना। भारतीय वैज्ञानिकों की उपलब्धियों से अवगत कराना।विज्ञापन लेखन	12. चंद्रयान के बारे में आप क्या-क्या जानते हैं?(Reading)
व्याकरण पाठ के अनुसार करवाएं।

		week 4				
		week 5				The Mother Bird,
November	24	week 1	20	12%	4	Literature- My unknown friend
		week 2				The scholarship jacket
		week 3				Grammar-Tenses
		week 4				Tenses continued

December	20	week 1	17	12%	4	Literature - A sea of foliage,
		week 2				Heartwood
		week 3				Writing - Report Writing
January	24	week 1	23	10%	3	Literature-Night Witches.
		week 2				The Enchanted Pool,
		week 3				Grammar-Subject -Verb Agreement
		week 4				Writing -Persuasive article for school magazine

The Play - For reading only

YEAR PLAN 2025-26**SH**

Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
Literary appreciation - humour, elements of a story	Listening Exercise -Pg 20 Gulmohar text book
Literary Appreciation -Character analysis - personality; style focus	Speak on major scientific discoveries
Poetic devices / allegorical and metaphorical value	Biography of Sarojini Naidu
To learn about countable and uncountable nouns, learners should be able to identify them, understand their pluralization, correct use of articles and quantifiers, and apply them in sentences and questions.//Indefinite Pronouns - define them, identify examples, and understand their function in sentences, using them accurately to express ideas in general terms rather than specific ones. //Diary Writing -understanding the diary's structure and purpose, as well as practicing effective writing techniques.	Worksheet 1
Plot, action / different point of view	Write a short paragraph on Science Fiction.
open ending, theme, setting	Write a dialogue between Felix and Antonio after the fight
the power of maps to guide and inspire, and highlights the diverse types of maps and their significance in understanding the world.	Bring a map/ atlas and locate the countries or cities given by the teacher.
identify and define them, differentiate between objects of the preposition and other objects, and explain the role of prepositional phrases in sentences, improving both reading and writing comprehension.	Worksheet 2
developing communication skills, expressing oneself, and maintaining relationships.	Write an informal letter inviting your friend to your birthday party.
elements of non-fiction report writing	Speech practice - expressing gratitude -Pg 56,57 Gulmohar text

exploring themes of loss, grief, and the relentless passage of time, particularly focused on the speaker's mourning a deceased friend, using the sea as a symbol of sorrow and impermanence.	Biography of Alfred Lord Tennyson
understanding their definitions, recognizing them in sentences, applying them correctly, and understanding how they modify different parts of speech, ultimately improving descriptive writing skills.	Worksheet 3
improve their communication, social and handwriting skills, and teach them what they need to know about writing and structuring letters.	Write a formal letter requesting the principal of your school to allow more PT sessions for your class.
Literary appreciation - character map, atmosphere	Writing Assignment on "Legends around the World"
express the contrast in outlook between imaginative and rational characters and explain the irony at the end of the story.	Art Integration Project-Role play
understanding their functions, recognizing different types, and using them accurately in various contexts, including writing, speaking, and comprehension.	Worksheet 4
express thoughts, recording experiences, and using informal language	Write a diary entry about a day you spent with your best friend.
HALF YEARLY EXAMS	
Identifying the speaker's perspective, exploring the bird's character, and recognizing poetic devices.	Write about the mother bird's character, focusing on her perceived qualities like bravery, meekness, and protectiveness.
Literary appreciation -first-person point of view; main character and minor characters	
Analyzing themes of fairness	Speech Practice - Pg 85 Gulmohar text book
To describe things that take place at different times – past, present and future. To build complex sentence structures, for conveying complex ideas.	Worksheet 5

identifying the poem's themes, recognizing its vivid imagery and literary devices, and understanding the poet's appreciation for nature.	Worksheet 6
Heartwood aims to help students develop ethical standards based on understanding of the human condition and the things which sustain, nurture, and promote growth of human beings and cultures.	Listenig exercise
understanding the process, knowing the audience, and organizing information.	Write a report on the Christams celebration at your school.
Literary appreciation- image/gender bias; characterisation	Research on "Night Witches"
literary appreciation - suspense; conflict	Worksheet 7
verbs must always agree with the subject in both number (singular or plural) and person (first, second, or third).	
to convince, motivate, or move readers toward a certain point of view, or opinion	Write a persuasive article on the importance of recycling.

Role Play

(Exercises in speech dialogue delivery - 4.2.4) To be done in the month of August for Art Integration

		week 4					Alternative arrangement for sewage disposal. Textbook exercise discussion.

Assignment/ Project/ Practicals

Assignment: Convecction, Radiatoion with a candle.

Project: Identify the given substances as acids/bases with the help of chaina rose indicator.

Project: Make a birthday card with turmeric paste and soap solution.

Lab: Neutralisation with phenolphthalaein indicator.

Lab: Burning magnesium ribbon, Coating of copper on iron nail.

Lab: Reaction of vinegar with baking soda, Crystallisation

Lab: Reaction of vinegar with baking soda

Art intergration- Forest comparison with the paired state (Bio)

Assignment: Draw distance- time graph.

Assignment: Numericals to find speed, time, distance.

Project: Make an electromagnet.

Lab: Image formation by spherical mirrors, lenses

Lab: Dispersion of light.

Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
agricultural practices- preparation of soil	collect different types seeds and label them
agricultural implements	
sowing	
manure and fertilizer	
irrigation	collect pictures of some agricultural tools and paste them in a file
protection from weeds	
harvesting	
storage	worksheet
animal husbandary	
microorganisms- introduction	draw/stick the pictures of microorganisms
microorganisms- household use	
commercial use of microorganisms	
medicinal use of microorganisms	
harmful microorganisms	collect the labels from the bottles of jams and jellies, write down the list contents printed on the labels
food poisoning	
food preservation	
nitrogen cycle	Assignment - Significance of reproduction
Halfyearly exam revision	
Female reproductive system	Art integration project -Comparison of vegetation with paired states
Modes of reproduction	
Metamorphosis in frog	Assignment-Metamorphosis in frog
oviparous and viviparous animals	
Fertilisation, Asexual reproduction	
Adolescence and puberty	

Changes at puberty	Write a short note on the importance of reproduction
Secondary sexual characters	
Role of hormones in reproduction	Collect newspaper cuttings and information in magazines about AIDS
Reproductive phase in human female	
Sex determination	
Endocrine glands, Reproductive health

Detailed Concepts to be covered in the Chapter	Assignment/ Project/ Practicals
Rational Numbers between rational numbers	
Properties of Rational numbers.- Distributive,Assosiative,Commutative	
Introduction,Solving Equations and Finding the solution.	Worksheet
Reducing equations to simpler form	
Introduction,Exterior angle of a polygon,Trapezium,Parallelogram,Rhombhus.	PA I
Properties of Quadrilaterals	Drawing polygons and marking the Angles
	Proving the exterior angle of a polygon(lab)
Introduction,Pythagorean Triplets.PrimeFactorisation	Proving pythagorean triplet(lab)
Long Division,least number to be added ,subtracted,multiplied,divided.	Worksheet
Introduction,Prime factorisation	
Least number to be multiplied and divided	
Introduction,Laws of Exponents,Negative exponents	Worksheet
Standard form,Usual form,Comparison	Art Integration(comparison of production of electricity-pie chart)
Introduction,Algebraic identities	PA II
Addition,subtraction, Simplification,multiplication,(polynomials)	
Revision Revision Half- yearly exam	HY
Half- yearly exam	Proving algebraic identities(lab)

Introduction,factorisation by regrouping	Worksheet
Factorisation using identities.Introduction,Ratio and proportion,Sales Tax,VAT,GST, Compound Interest	Atatching Bills and find Discount
	Finding discounts(lab)
Introduction,Pictograph,Bar Graph,Double Bar Graph	Worksheet
Pie Chart ,Probability	
Line Graph,Application of Line Graph	Worksheet
Application of Line graph	
Introduction,Area of Polygons,Solid Shapes	Make 3D Shapes and find their Area
Surface area and volume of solid shapes	PA III
Introduction,Direct Proportion	
Inverse Proportion	worksheet
